

## 2023 YOVASO Holiday Contest

### *Jingle Your Way to a Safe Holiday: Buckle Up and Drive Safely*

**Holiday Contest Focus:** The Holiday Contest is an educational and fun initiative for Virginia high and middle school-age students to promote safe and responsible driving throughout the high-risk holiday season. The goal of the contest is to encourage buckling up and celebrating and driving safely during the period from Thanksgiving through New Year's. As part of the contest, students will compete individually or in groups by creating a safe driving jingle (short song or tune) that promotes a seat belt and/or safe driving message for the teen audience.

The jingles will be submitted in video format to YOVASO by December 7 at midnight and must incorporate a creative seat belt and/or safe driving message related to the campaign. The top six jingles in both the high and middle school division, as selected by YOVASO staff, will be shared on social media for public voting December 11-14, 2023. The overall winning jingle in both divisions will then be shared on social media December 16-25, 2023 to remind students to buckle up and drive safely. Prizes **funded by State Farm** will be awarded to the top three winning jingles in the middle and high school divisions.
